

1. PE KIT : 2022/23

If students are unable to physically participate they MUST **bring a note** to their lesson with their PE kit so that they can participate in the role of a coach / umpire or official.

Please be aware that studded boots are essential for students wishing to participate in competitive rugby games because trainers / astro boots or moulded boots **DO NOT** provide a sure enough footing on wet grass. Moulded boots / Astroturf trainers are ideal for all other outdoor lessons. Students **MUST** wear the correct PE kit for all lessons. The students are encouraged to check the weather forecast and plan accordingly.

All students are expected to have the required PE kit available from our approved suppliers.
